

WHO WE ARE

Productivity SA is a schedule 3A Public Entity of the Department of Employment and Labour with the mandate to promote employment growth and productivity thereby contributing to South Africa's socio-economic development and competitiveness.

CORE FUNCTIONS

- To promote a culture of productivity in the workplace;
- To facilitate and evaluate productivity improvement and competencies in workplaces;
- To measure and evaluate productivity in the workplace;
- To maintain a database of productivity & competitiveness systems & publicise these systems; and
- To undertake productivity-related research.

STRATEGIC PROGRAMMES

Enterprise Competitiveness and Sustainability:

The Competitiveness Improvement Services (CIS) Programme provides support to enterprises to improve their competitiveness and sustainability to preserve current jobs and create new decent jobs.

The Business Turnaround and Recovery (BT&R) Programme provides Turnaround Strategies and Plans to restructure and improve the productivity and operational efficiency of companies facing economic distress to save jobs or minimise the retrenchment of employees.

Research, Innovation and Statistics (RIS) Programme provides productivity and competitiveness related value-added information and statistics, best practices and systems through research activities and databases.

COMPETITIVENESS IMPROVEMENT SERVICES

The programme focusses on creating an enabling environment conducive to entrepreneurship and sustainable enterprises that are capable of creating productive employment and decent work..

- Enhancing the appropriate capacities of SMMEs and Co-operatives to adopt world-class productivity enhancement best practices, focusing on products, processes and people.
- Support entities particularly in the productive sectors with strong growth and employment multipliers within the priority sectors.
- Prioritise the participation of historically disadvantaged people and regions in the economy and thereby support meaningful BBBEE using instruments such as Special Economic Zones (SEZs), Industrial Parks and Black Industrialists interventions.
